

# Download By Water And The Spirit

This article does not cite any sources. Please help improve this article by adding citations to reliable sources. Unsourced material may be challenged and removed. Please note: Our spa staff are certified massage practitioners. We currently do not have RMTs on staff. The Spirit Water Spa provides massage as well as a variety of additional treatments including detoxifying clay applications, relaxing body wraps and Reiki/Energy Work; which can be added to a massage session to help enhance your spa experience. © SodaStream (Switzerland) AG 2019.
