

Download Clawhammer Banjo - Video One

The Beginning Clawhammer Video Series - These first lessons cover all of the important techniques used in clawhammer or frailing banjo including tuning, reading tablature, rhythm, right and left hand techniques, slides, hammer-ons and pull-offs. Sample Clawhammer Banjo Lesson Shady Grove. There are several versions of the traditional favorite "Shady Grove." The one you'll learn here is in G modal tuning, which gives the banjo a haunting sound that is used in a lot of old-time clawhammer banjo music. With TablaturePeghead Nation's String School brings you full courses in guitar, mandolin, banjo, ukulele, fiddle, and Dobro. You get talented instructors, high-quality video instruction, accurate notation and tab, and fun songs to play right from the beginning. FREE BANJO LESSONS - by Bradley Laird LESSON 4. FRETTING NOTES AND MOVING AROUND. When I say "fancy stuff" what I mean is that, once you have that basic clawhammer banjo rhythm smoothed out, there are a few more important skills you must learn in order to play tunes and make music.
