We are your Partner in Customized Curriculum Development. At Custom Education Solutions, we are experienced curriculum developers. We understand today's world of achievement mandates and curriculum standards, and are skilled at creating a package of resources to ensure you hit your goals while comfortably staying within your budget. WIDS is all about curriculum. From designing sound performance-based programs and courses to mapping outcomes and building assessments, our software and consulting team works with colleges, businesses and government clients to design, align, and manage curriculum. This website uses Google Analytics to track visitor traffic. Learn how Google uses data when you use our partner's sites or apps. Read more about this site's privacy practices Curriculum Developers report using a diverse set of skills on the job. Most notably, skills in Online Education, Project Management, Course Design, and Training Program Development are correlated ...
