

# Download Dish Network Guide Tonight

DISH offers a wide variety of channel packages (programming packages). This page is our Channels and Packages Guide. Find local TV listings, watch full episodes of your favorite TV Shows and read the latest breaking news on TV shows, celebrities and movies. DISH's TV service is rated #1, but what makes it the best? See what we think its pricing, channel lineup, and the DISH Hopper 3. Get the latest news on trending recipes, and see videos and schedules for your favorite Food Network shows.
