Early Church Fathers. The theme of worship is taken up by many of the Church Fathers including Justin Martyr, Irenaeus and Hippolytus of Rome (c. 170-c. 236). These are examples of my favourite prayers handed down to us from the first centuries of the Christian Church. There's a lot to be said from studying early prayers such as these as they provide a continuous link of worship between the early Christians of the first few centuries after the Crucifixion to ourselves. If you could travel in time and attend a Christian worship service in the first century, what would it be like? Would a Presbyterian feel at home? Early Christian art and architecture or Paleochristian art is the art produced by Christians or under Christian patronage from the earliest period of Christianity to, depending on the definition used, sometime between 260 and 525.
