She explains that astrology itself is a symbolic system (not a science), thus its contents possess inherent archetypal qualities and significance. The author's exploration of the planetary gods and their relationship to Jungian psychology opens up a realm of psychic possibilities.Ellynor Barz Gods and Planets: The Archetypes of Astrology. 190 pages, ISBN 0-933029-71-3 / 978-0-933029-71-2, Chiron. Because of its archetypal quality, astrology can be a means of discovering "more of the individual than we can grasp at once ... pointing to greater contexts and powers."
