SOMETIMES THE LITTLE THINGS IN LIFE CAN MAKE A BIG DIFFERENCE. As a wife, you've probably seen how the smallest things can have a huge impact on the way your husband thinks and acts. I am copying my review of "How to Be Your Husband's Best Friend," since I feel the same way about each book. This is a cute little book. Yes, some of the suggestions are silly or cliche, but even those are good reminders of extra little things you could be doing, or might spark an idea for something better suited to your specific relationship.
