You can receive Lee Strobel's book, *The Case for Miracles*, in appreciation for any donation you can make to Harvest Ministries today. The CW's *Supernatural* began life dealing mostly with monsters. Over the course of the first few seasons, Sam and Dean Winchester worked their way up the hunting food chain from run-of-the-mill beasts to bona fide demons, and eventually to a Prince of Hell who wanted to release Lucifer himself. Lyrics to 'God Will Make A Way' by Don Moen: God will make a way Where there seems to be no way He works in ways we cannot see He will make a way for me

consideration, there was an experiment a year or 2 ago that measured the rate in which light from a super nova at a known distance traveled across the cosmos and there was no slow down. this indicates Einstein right in 2 ways: (1) there is no Ether and (2) light travels at constant light speed.
