Individualism, political and social philosophy that emphasizes the moral worth of the individual. Although the concept of an individual may seem straightforward, there are many ways of understanding it, both in theory and in practice. Individualism is the moral stance, political philosophy, ideology, or social outlook that emphasizes the moral worth of the individual. Individualists promote the exercise of one's goals and desires and so value independence and self-reliance and advocate that interests of the individual should achieve precedence over the state or a social ... This song, popularized by Frank Sinatra, combined the melody of a popular French song with new lyrics written by Paul Anka. This version, by Sex Pistols bass player and infamous law-breaker Sid Vicious, makes it practically the most individualist anthem of all time; they lyrics speak for themselves. COLLECTIVISM "COLLECTIVISM: Collectivism is defined as the theory and practice that makes some sort of group rather than the individual the fundamental ...
