

Download Leather Craft And Weaving

Leather work and leather-craft courses, classes and workshops taught all across the UK. Leather improves with age, which is why crafting something out of leather is extremely satisfying. What is Tablet-Weaving? Tablet weaving is a method of weaving strong, narrow, decorative bands. The equipment required is very cheap and simple, yet the range of possible patterns is immense. A handicraft, sometimes more precisely expressed as artisanal handicraft or handmade, is any of a wide variety of types of work where useful and decorative objects are made completely by hand or by using only simple tools. Ruth's garden studio was the perfect backdrop for a super relaxed and creative day. Ruth's expertise in teaching was clear as she was very patient, concise in her instruction and provided us with a hand-out of all the different techniques we were able to develop.
