

Download Light, Dark And Colour

We discuss decorative styles for a dark bathroom & light bathroom with side by side comparisons showing how to make a small space work in each colour scheme. Blue is one of the three primary colours of pigments in painting and traditional colour theory, as well as in the RGB colour model. It lies between violet and green on the spectrum of visible light. It's all down to the light, both natural and artificial, which alters colour radically. You love the colour in the tin, but what will it look like on the wall? 703 Cold Lavender A colour that would be great for front / key lighting and that works well with 152 Pale Gold.
