

Download Longevity And Chinese Herbal Medicine

In Longevity Acupuncture & Traditional Chinese Medicine Centre, we have over 30 years of Traditional Chinese Medicine practice. We are fully government licensed acupuncturists by the government of Alberta. Chinese Medicine Treatment For Kidney Disease. Chinese medicine is a scientific system consisting orally intake medicines and various kinds of external applications---acupuncture, cupping therapy, Gua Sha, Qi Gong, massage, Taijiquan, pedicure, medicated bath, etc. Years ago, while traveling in the Far East, I took pity on a fellow traveler who had been nauseated and vomiting for days, giving him a couple of doses of a traditional Chinese herbal medicine I had thrown into my luggage as an afterthought. Welcome to Longevity Acupuncture Clinic. Longevity Acupuncture is a natural health clinic located in Park City, UT. Since 2007, we have built our reputation by providing customized treatments that combine Japanese Acupuncture, manual bodywork, nutritional counseling, and herbal medicine to treat illness, relieve pain, and promote longevity.
