

Download Mastering Money In Your Marriage

Marriage can have a hazardous effect on other parts of your financial life, says Vernon. You will legally be on the hook for your spouse's medical bills, and there may be sticky issues when it comes to inheritance. As unromantic as it sounds, finances play a big role in how successful—and how happy—your marriage will be. Money is the No. 1 cause of stress in relationships, according to a survey by SunTrust Bank, and having financial arguments is the top predictor of divorce, a separate study by Kansas State University found.
