

Download Ninety Eight Point Six

User Research, Experience Design and Visual Design are together, the practice of creating tools, platforms and user experiences through listening to users. 98point6 delivers on-demand diagnosis and treatment from board-certified physicians via secure in-app messaging. Get care anywhere—on the go, home sick in bed or multi-tasking throughout your day—on your schedule and right when you need it. All material on this site is © 2019 by Ninety-Eight Point Six, Inc.
