Invitation letter to a guest speaker. When an arranger wants to invite special persons like a scientist or a scholar to an event, they are required to notify the guests earlier to the actual event so that they can manage their schedule. An Invitation letter for the seminar is an official letter. It extends an invitation to a respected guest to the seminar. The letter of invitation must be sound written. An Invitation email is a written electronic request for the presence of a person, group of persons or organization at an event. An invitation email is just like any invitation letter except that it is delivered to the invitee via email. Announce Training Sessions with the Letter. Announcement of the training sessions can be done with notices. But if you want no one to miss out the announcement then notifying through letters is the best.
