The Course of the Heart book. Read 58 reviews from the world's largest community for readers. John M. Harrison delivers an extraordinary, genre-bending n... Read 58 reviews from the world's largest community for readers. The Course of the Heart also contains a blurring of lines, namely between our own reality and a fantastic otherworld called the Pleroma, which affects the four central characters in the novel. Even though Mr. Harrison's detailed descriptions and excellent characterisation does make the book interesting at times, something about it still did not live up to my expectations. Perhaps it was the ... The Course of the Heart also contains a blurring of lines, namely between our own reality and a fantastic otherworld called the Pleroma, which affects the four central characters in the novel. Even though Mr. Harrison's detailed descriptions and excellent characterisation does make the book interesting at times, something about it still did not live up to my expectations. Perhaps it was the ... The Heart Course provides an opportunity for frontline providers of emergency cardiology to learn, discuss, and apply emerging data, new guidelines, and optimal treatment strategies for the management of cardiac and vascular emergencies.
