

Download The Value Of Rfid Benefits Vs Costs

Learn how Zebra solutions help those on the front lines of business. Read their success stories. View our collections of research around key subject areas: CLOUD > COLLABORATION > Inventory costs are the costs related to storing and maintaining its inventory over a certain period of time. Typically, inventory costs are described as a percentage of the inventory value (annual average inventory, i.e. for a retailer the average of the goods bought to its suppliers during a year) on an annualized basis.
