

Download Transport Canada Flight Training Manual

Welcome to the Civil Aviation Publications Homepage. This site contains a list of all transport publications (tp) available in civil aviation. Aircraft handling errors Manual handling/flight controls: vertical/lateral and/or speed deviations, incorrect flaps/speedbrakes, thrust reverser or power settings. Canada Flight Supplement The Canada Flight Supplement contains the following sections: General: Tables, legends and associated information pertinent to interpretation of the supplement. Aerobotika's training was the first in Canada to be designed around the Transport Canada requirements, but we don't stop there. Our training gets very in depth about commercial UAV technology and business practices.
